**We need your input on the selection of a new
Superintendent for the
Windsor Unified School District.**

**Please mark your calendars and attend our
Community Forum on
Wednesday February 19th, 2014 at 6:00 p.m.
at**

**Mattie Washburn Elementary Multi Purpose Rm.
75 Pleasant Avenue**

We hope to see you there!

The Sonoma County Office of Education is coordinating the superintendent search effort for your District. We are interested in finding out your thoughts on the personal characteristics, professional skills and experience desired for the new leader of this outstanding school district. Information gathered at this session will be integrated with the desired skills and characteristics expressed by staff and board members, and then incorporated into the job description and recruitment outreach materials.

The Board of Trustees anticipates that the new Superintendent will begin District employment on July 1, 2014.

Individuals who cannot attend the February 19th forum are invited to submit their input in writing using the Superintendent Search Questionnaire that is available on the Windsor Unified School District website, www.wusd.org. The questionnaire is available in both English and Spanish.
