

Eligibility Standards

Students who have received 4 or more semester F's during 7th and/or 8th grade will not be eligible to walk in promotion. Transferring students previous grades will also apply to this standard. In the event that a suspension includes the day of promotion, the student will not be eligible to attend the ceremony. 7th grade F's can be made up by attending 2 Saturday school sessions for each F. Additionally failed courses may be made up in a mail-away course.

Students with 15 or more demerits may not walk in the Promotion ceremony. Demerits can be worked off by attending Saturday school, separate to any Saturday school for Fs. Each Saturday school = 5 demerits. They can also be worked off by participating in community service with the Student Advisors, or by participating in a social/emotional session with one of the counselors.
