

RESOLUTION # 2018-04

**WINDSOR UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION RESOLUTION
IN SUPPORT OF DEFERRED ACTION FOR CHILDHOOD ARRIVALS (DACA)
LEGISLATION**

WHEREAS: The Windsor Unified School District Board of Education embraces the diversity of our students, families and staff and the rich language and cultural assets they bring to our District and strongly supports and encourages the participation of all parents and families in our schools; and

WHEREAS: In 2012 President Obama issued an Executive Order that gave certain undocumented immigrants who were brought to the United States by their parents as a child and entered the U.S. before their 16th birthday—commonly referred to as “Dreamers”—relief to deportation and the ability to live, work and study in the U.S. for a period of two years, subject to renewal. The program is known as Deferred Action for Childhood Arrivals (DACA); and

WHEREAS: DACA has protected nearly 800,000 people, approximately 20,000 DACA recipients work as teachers and more than 217,000 DACA recipients live in California; and

WHEREAS: President Donald Trump announced a rescission of DACA but has allowed for a six-month window during which Congress can pass new legislation that would protect those who rely on the program; and

WHEREAS: All students in California have a right to attend public schools regardless of their immigration status and California’s school districts have invested valuable resources in our State’s DACA recipients, and they in turn have responded by successfully continuing their education and by making important contributions to the workforce and to society.

WHEREAS: Windsor Unified School District Board of Education believes that each student deserves to be treated with respect and as a valuable human being—with hopes, dreams, aspirations, and goals—and that each DACA recipient should be allowed to fulfill those dreams in the only country they know—the United States of America.

WHEREAS: The intended rescission of DACA will deny our schools and communities many very bright and highly-motivated students, parents, teachers, and staff who are making invaluable contributions; and

WHEREAS: The consequences of this decision will result in fear and uncertainty for many of the families and students we serve as well as for staff members and community volunteers and would cause a significant disruption to the learning environment and educational setting for students.

THEREFORE, BE IT RESOLVED: That the Windsor Unified School District Board of Education urges President Trump and his administration to preserve the DACA program and urges members of Congress, including our own senators and representatives, to take bipartisan action to pass legislation that provides DACA recipients the permanent solution they deserve and end the uncertainty they face.
