15 Supervisor those special education routes that would restrict drivers from driving on
16 field trips that conflict with his/her normal daily schedule.

18 and parent/guardian phone numbers. A calendar for the route encompassing the
19 calendars for all schools the route serves shall be included with the initial route sheet.

21 District will open the bidding process for all routes. Beginning at 7:00 a.m. to 11:00
22 a.m all drivers will bid for routes starting with the most senior driver in descending
23 order until all routes are bid. All drivers will be given a ten (10) minute appointment
24 block for their bidding time. Drivers will receive payment for one half hour (30
25 minutes) at their regular rate of pay for attending the bid process.

2. Drivers unable to attend bidding may place their bidding instructions in a sealed
envelope and sign the list maintained by the Transportation Supervisor. Failure to
do so will result in that driver being passed over.

- 1 3. Drivers may bid on any combination of work up to, but not over eight (8) hours per
2 day, or up to forty (40) hours per week.
- 3 4. On the bidding day drivers will attend an annual District provided drivers' orientation
4 and in-service program regarding routes and safety requirements. Drivers will receive
5 payment for actual time spent in orientation and in-service which will be a minimum
6 of four (4) hours.
- 7 5. For the purpose of indentifying the official workdays for special education drivers, the
8 District will designate the routes and its calendar for the current school year. Should
9 the school calendar change during the academic year, the driver will be given a new
10 calendar. Route calendar changes affecting a driver's personal financial commitments
11 (reservations) will be accommodated by the District.
- 12 6. Special Education drivers shall receive written notice of route changes necessitated by
13 a student's IEP, and an updated route sheet, any route restrictions, and calendar will
14 be provided prior to implementing the route change.
- 15 7. After route bidding is complete, there will be a six week window period that starts on
16 the first day of school in accordance with the WUSD school calendar. During the
17 window period the routes and the hours of the routes may be changed. At the
18 conclusion of the six week window period the drivers of routes that have an increase
19 or decrease in their daily work hours of thirty (30) minutes or more per day shall be
20 subject to bumping rights and the affected routes shall be posted per contract. During
21 the-process of bumping, all routes, regular education and NCC, shall be available to all
22 drivers based on seniority.

25 period. Drivers with routes decreased in this manner will be assigned appropriate
work for the paid non-driving hours.
b. After the expiration of the six week window period, routes may be increased;
changes thirty (30) minutes or greater will be posted for bid.
c. During this posting/bumping process open routes may have their hours decreased if
it is warranted.
9. a. When a new route segment has been established, that would fit on more than one

1 route, the segment shall be posted and assigned to the most senior driver providing a
2 notification of interest. If there is no driver interested in the segment, it shall be
3 assigned to the least senior driver.

4 b. On a day when a NCC driver is not available for a segment of their route, the
5 segment shall be offered to the most senior driver with time on their route that day.

6 10. Each driver is encouraged to wash the exterior of his/her bus at least once a month.
7 The driver will be paid the regular rate of pay for the actual time it took to wash the
8 bus up to one hour. For those unit members unable to wash buses (i.e. medical
9 disability) this policy may be waived.

10 11. Bus evacuation is a requirement of each driver's job description and is
11 essential to the District's risk management responsibilities. Each driver shall in-

16 sessions in one day. The initial evacuation schedule for each school site shall be
17 posted two (2) weeks in advance of the scheduled evacuation dates unless mutually
18 agreed to a shorter period. All WUSD drivers, NCC and regular education, shall be
19 required to execute a minimum of nine (9) evacuation sessions. This number may be
20 adjusted up or down according to school site enrollment each year. Drivers shall be
21 paid at the appropriate rate of pay for any extra time/overtime incurred for providing

27 1. Special Trips are bus trips not related to regular daily runs.

- 1 2. Bus Drivers wishing to drive for special trips may sign up for said trips. There will be
2 four (4) rotating lists, one for day trips and one for late afternoon/evening trips which
3 commence at 2:00 p.m. or later, one for trips requiring the special needs bus, and one
4 for one-way drop offs. Each driver shall be placed on a list in order of seniority, as
5 determined by the most recent District Seniority List. If there are one or more trips
6 available to a driver on each of these lists that are conflicting, the drivers will indicate
7 their first, second, and their preferences when listing trips for which they are available.
- 8 3. Beginning with the start of the regular year, special trips will be offered to the first driver
9 of the appropriate rotating list. The special trips shall be posted twenty-four (24) hours
10 prior to assigning the trips for the next week (i.e. trips assigned at 9:00 a.m. Friday shall
11 have been posted before 9:00 a.m. Thursday). Drivers shall indicate their availability
12 for special trips in writing prior to trip assignment. If a driver rejects the trip, that
13 driver's name shall be passed by and be placed at the bottom of the eligibility list for
14 special trips. The trip shall go to the next driver on the list who is willing to accept the
15 trip.
- 16 4. Bus drivers with regularly scheduled District transportation runs shall have right of first
17 refusal of special trips in accordance with paragraph #3 above, unless the driver has a
18 restricted route. Special trips will be assigned to substitute drivers or other qualified unit
19 members only when a regularly scheduled driver is not available. In the case where no
20 qualified substitute driver is available, the District has the discretion to make
21 arrangements to cover the special trip need. The District will make every reasonable
22 effort to train and recruit additional substitute drivers. Other District positions shall
23 only be utilized in emergency situations as determined by the District.
- 24 4.1 If a driver is unable to take an assigned special trip due to district business,
25 approved union business, or required training/testing, the driver who lost the trip
shall be brought to the top of the rotation list for the next weeks bidding.
- 4.2 In Paragraphs 4.1 no drivers shall lose a trip because they already had a trip on
the day they return because of regular rotation. If that should happen, the driver

1 will automatically be advanced to the next week's trip selections for assignment.

2 This process will repeat until the driver has been compensated for the lost trip.

3 5. Special or late notice trips added after the assignments for the week have been assigned
4 shall be posted separately on a "Weekly Late Notice" trip board and will be offered to
5 the next driver in rotation. Any driver accepting or rejecting a late posting shall not lose
6 their place on the rotation list for the following week.

7 6. Special trips shall be paid at the appropriate rate of pay. Pay shall be from the beginning
8 of the special trip until securement after completion of the assigned special trip. Bus
9 drivers may leave an area to have a meal once all students are clear of the area and after
10 they inform the teacher in charge that they are leaving and where they expect to go for
11 their meal break. Bus drivers should find a location that is generally within ten (10)
12 minutes of the field trip by bus. Bus drivers leaving the area will carry with them a
13 communication device. Drivers are not to leave the special trip bus until the students
14 are turned over to the teacher in charge of the special trip.

15 7. In cases where a special trip has been accepted by a Driver and that trip is canceled with
16 notice of twenty-four (24) hours or more, the assigned driver(s) shall be offered the next
17 available trip and shall maintain his/her place on the rotation list.

18 7.1 In cases where notice of cancellation is less than 24 hours prior to the scheduled
19 trip, the assigned driver(s) shall be offered the next available trip and shall
20 maintain his/her place on the rotation list and shall be paid for one hour of
21 service at the regular appropriate hourly rate.

22 7.2 In a case where a special trip is canceled or postponed after the driver actually
23 reports for special trip duty and has prepared the bus for such trip, or if a special
24 trip scheduled on a non-student day is cancelled with a notice of two (2) hours
25 or less prior to the driver's scheduled arrival at work, the driver shall be offered
the next available trip and shall maintain his/her place on the rotation list and
shall be paid for two hours of service at the regular and appropriate hourly rate.

1 7.3 In a case where a special trip assigned to a regular driver is canceled with notice
2 of 24 hours or more, and there is another special trip that day, at the same
3 approximate time, that is assigned to a substitute bus driver, with the exception
4 of contracted vendors, the regular driver shall be offered the special trip provided
5 the regular driver had originally signed up for that special trip as an alternate for
6 the day. The special trip for the substitute bus driver shall then be canceled.

7 8. When the services of a unit member Driver-Instructor are required, such services shall
8 be rotated equally among all unit member Driver-Instructors.

9 9. Bus drivers who work summer session shall rotate special trips in accordance with this

24 1. When the District requires work normally and customarily performed by unit members
25 during the winter, spring and summer breaks, it shall offer the work to bargaining unit
members within the classification needed on the basis of seniority. If no one within the
classification is available, the District shall offer the work to bargaining unit members
on the basis of qualifications. If the qualifications of unit members applying for work

1 out of class are judged to be equal, the most senior applicant shall receive the
2 assignment.

3 1.1 Regarding student advisor vacancies during summer school, the high school and
4 middle school student advisor positions will be filled by employees who
5 occupied those positions at each site during the regular school year. If the
6 student advisor(s) at either or both sites were not available for that position, the
7 District would then follow the routine posting/selection process. If both student
8 advisors at each site apply for the one student advisor vacancy, the most senior
9 student advisor on that site would have priority to the assignment.

1. Full time unit members shall be entitled to one (1) day of sick leave for each month of service.
2. Part-time unit members shall accumulate and receive sick leave on the basis of the number of hours they work per day (i.e. a 4 hour per day unit member will be paid for four hours when using sick leave and shall accumulate four hours of sick leave for each month worked.)
3. Unit members may accumulate unused sick leave without limitation. However, a new unit member of the District shall not be eligible to take more than six days until the first day of the calendar month after completion of six months of active service with the District.
4. Unit members hired prior to July 1, 1980, may convert unused sick leave to retirement credit in accordance with Government code Section 20862.5, or its successor, if the unit member is filing a request for retirement.
5. All unit members in the bargaining unit shall comply with Appendix C of this Agreement when reporting illness or injury absences.
6. Any unit member shall be permitted to transfer any verified accumulated sick leave from a previous California school district employer in accordance with Education Code Section 45202 or its successor.
7. Each unit member shall be notified of the number of sick leave days he/she has accumulated. The report shall be in writing and shall be provided annually.
8. See Section 11 (Vacations) of this Article for additional vacation days for non-use of sick leave.

1 Section 2 - Extended Illness Leave

- 2 1. When a unit member is absent because of illness, injury or quarantine for a period of
3 one hundred (100) scheduled working days or less, the amount deducted from the unit
4 member's salary shall not exceed the sum which is actually paid a substitute employee
5 hired to fill the position during the absence. In no event will the substitute salary for
6 the purposes of such deduction under this leave exceed Step I of the salary schedule for
7 that classification.
- 8 2. The use of extended illness leave shall begin when accumulated sick leave, vacation
9 time, compensatory time and other paid leave has been exhausted, but the total period

16 of his/her employment shall be entitled to a leave of up to 60 working days in any one

22 member under the Workers' Compensation Laws of this State, exceed the normal wages
23 for that day.
- 24 3. The industrial accident or illness leave is to be used in lieu of normal sick leave benefits.
25 When entitlement to industrial accident or illness leave under this section has been
exhausted, entitlement to other sick leave, vacation or other paid leave may then be
used. If, however, a unit member is still receiving temporary disability payments under

1 the Workers' Compensation Laws of the State at the time of the exhaustion of benefits
2 under this section, his/her accumulated and available normal sick leave and vacation
3 leave which, when added to the Workers' Compensation award, provides for a day's pay

6 he/she shall be reinstated to his/her position without loss of pay or benefits.

9 pregnancy is established with reasonable certainty. The length of leave shall be
10 established by mutual agreement between the unit member and the administration,
11 utilizing the written advice of a consulting physician or medical practitioner.
- 12 2. The unit member shall receive no compensation while the leave is in effect, but shall
13 maintain her status on the salary schedule.
- 14 3. A maternity leave may be requested to begin at any time after pregnancy is confirmed.
15 The unit member is expected to give at least thirty (30) days advance notice. The unit

18 require an examination by a qualified physician at its expense.
- 19 4. The unit member may return to work as soon after termination of the pregnancy as she
20 wishes provided she presents a confirmation from her physician or medical practitioner
21 that she can perform all duties and responsibilities. If there is doubt, the District may
22 require an examination by a qualified physician, at its expense. The unit member shall
23 give the District at least fifteen (15) days advance notice of the date she wishes to return.
- 24 5. Maternity leave may continue for a maximum of one (1) calendar year.
- 25 6. A unit member may request and shall be granted use of accumulated sick leave for
disabilities caused or contributed to by the pregnancy, miscarriage, abortion, childbirth

12 Section 6 - Personal Necessity Leave

- 13 1. In any calendar year, up to seven (7) days of accumulated sick leave may be used by a
14 unit member, at his/her election, in cases of compelling personal necessity. Personal

16 expected to ignore and cannot be dealt with outside of the regular workday. Personal
17 Necessity Leave shall not be used solely as an extension of a local, state or federal
18 holiday.

13 period of more than ten (10) working days shall be submitted to the Board of Trustees
14 for action.
- 15 2. Unit members on an approved unpaid leave who wish to continue participation in health,
16 dental or vision benefit programs are responsible for full and timely payment of
17 premiums during such leave. Failure of the unit member to make such payments to the
18 Business Office will result in loss of such benefits.
- 19 3. A unit member on an unpaid leave over 60 days shall notify the District in writing no
20 less than 30 days prior to the expiration of their leave of their intent to return to their
21 position. Failure to provide such written notice shall constitute an automatic resignation.

22 Section 10 - Holiday Leave

- 23 1. The District shall provide a minimum of twelve (12) holidays during each fiscal year at
24 the same rate of pay as would have been received for that day if it had been worked.

22 economic necessity and other reasons including, but not limited to, meeting
23 requirements of the District's total operational programs.

24 2. A unit member who is the subject of a District-initiated transfer shall have opportunity
25 to indicate a preference from a list of vacancies, and the District shall honor such

5 equally qualified unit members are being considered for a given position.

10 health and welfare benefits for the unit member.
- 11 7. Should the District open a new school or have an expansion of a program(s) which will
12 involve transfers and/or reassignment of existing unit members the District and the
13 Association shall meet and confer to develop an implementation plan which will
14 minimize the adverse impact on unit members and on the educational program.

14 Section 3 - Reassignment

- 15 1. A member of the bargaining unit may be reassigned to a position of equal hours within
16 a school or work site.
- 17 2. No District initiated reassignment shall be arbitrary, capricious or discriminatory.

23 position by filing a written application and supporting documents with the District
24 Office.
- 25 2. All vacancies shall be posted for not less than five (5) working days at work locations
and a copy of the vacancy and job notice shall be provided to the CSEA Chapter
President.

- 1 3. The District shall interview all qualified unit member applicants. Unit members who
2 have made application for the vacancy shall be considered for promotion before
3 advertising outside the District. The District shall promote the most qualified unit
4 member applicant, as judged by management, who meets the required qualifications
5 listed in the job description.
- 6 4. If no current unit member meets the required qualifications in the job description for the
7 position, the vacancy may be advertised on the outside.
- 8 5. The District shall select the best qualified applicant as judged by management.

ARTICLE 20
NON-DISCRIMINATION

1. The District and CSEA reaffirm that they shall not discriminate against employees or applicants for employment, CSEA members or applicants for membership on the basis of national origin, religion, age, sex, marital status, and disability, or because of membership and participation in an employee organization; nor shall any unit member be sexually harassed or participate in any form of sexual harassment. Nothing herein shall prevent the District from requiring a unit member to perform all duties and responsibilities of the position to which he/she is assigned.

1 **ARTICLE 21**

2 **PROFESSIONAL GROWTH PROGRAM**

3 1. **Establishment of Program**

4 The District shall establish a professional growth recognition program for all
5 unit members which rewards after-hours training with increments on the salary
6 schedule. The courses of training recognized must be directly related to the
7 position currently occupied by the unit member.

8 2. **Professional Development Plan**

9 Courses taken shall follow a mutually agreed to District Professional
10 Development plan for the unit member's development in his/her position.

11 3. **Salary Increments**

12 For classes completed, there will be annual salary increments of \$400 per six (6)
13 units for employees working 4 hours or more per day. Unit members working
14 less than 4 hours per day will receive \$200 per six (6) units. One unit shall equal
15 fifteen (15) semester hours of instructional time. The maximum number of units
16 shall be twenty-four (24). The maximum number of units credited cannot
17 exceed twelve (12) per year.

18 4. **Courses**

19 In order to qualify for credit, units of study or courses of work must be completed
20 during non-duty time and meet the following conditions: Professional growth
21 may be achieved by any unit member through participation in any of the
22 following categories, provided the program is followed: college courses, junior
23 college courses, trade school courses, adult education courses, workshops,
24 seminars, first aid and CPR classes.

25 5. **Commencement of Program**

This article shall not apply retroactively and shall only apply to units of study or
courses of work taken after the ratification and Board approval of this Article.

6. **Procedure**

- 1 6.1 Unit member completes form (see Appendix G) and submits to his/her
2 principal or supervisor for recommendation as to whether proposed study
3 relates directly to assignment.
- 4 6.2 Supervisor completes, dates, signs form and forwards to Superintendent
5 with a copy to the applicant.
- 6 6.3 If the supervisor recommends disapproval, applicant may appeal to the
7 Superintendent before any final decision is made regarding the request.
- 8 6.4 Superintendent/designee acts to grant or disapprove the appeal and
9 returns form to unit member and sends copy to the supervisor and the
10 District office.
- 11 6.5 Unit member submits evidence of course completion by August 1.
12 Submit official grade card, completion certificate or similar evidence to
13 the District office for copying and filing in your personnel records.
- 14 6.6 Courses completed by August 1 shall be applied to the applicant's salary
15 for the then current fiscal year.

16 7. Special Provisions

17 Instructional Assistants employed prior to February, 1986, who are participants
18 in college unit programs (10-20-30-40 units) shall receive 2% per step per 10
19 college units.

1 **ARTICLE 22**

2 **DRUG AND ALCOHOL TESTING**

- 3 1. Every unit member of the District is expected to render service without being
4 impaired or under the influence of alcohol or drugs of any kind. The safety and
5 health of students, staff and the public require that every reasonable precaution
6 be taken to discourage substance abuse to prevent impaired individuals from
7 rendering service to the District.
- 8 2. It shall be the policy of the District to comply with the Drug Free Work Place
9 Act and Title 49, CFR Parts 382, 391, 392 and 395 which specifically outline
10 the Federal Omnibus Employee Testing Act of 1991.
- 11 3. The District will comply by contracting for oversight with a professional drug
12 and alcohol testing management company, or by joining a consortium of local
13 school districts to provide such oversight. All unit members of the District who
14 hold a commercial drivers license and who drive a commercial vehicle in the
15 course of employment with the District shall be subject to testing.
- 16 4. Testing will be for alcohol and controlled substances at the following times and
17 covers any safety sensitive function during any time in which the driver is
18 actually performing, ready to perform, or immediately available to perform any
19 safety sensitive function.
- 20 5. The District designates the Director of Maintenance and Operations as the
21 employee designated to answer questions about this policy.
- 22 5.1 Types of Testing:
- 23 a. Pre-employment screening.
- 24 b. Post-accident -- where accident is defined to be: a school bus
25 accident, or any accident where there is injury or there is
estimated to be \$750 or more of damage as a result.
- c. Random testing -- to be 10% of the total number of employees
for alcohol testing and 50% of the employees for drug testing, to

1 be randomly selected by the company providing oversight on an
2 annual basis.

3 d. Reasonable suspicion testing -- a properly trained supervisor may
4 require a unit member to submit to an alcohol or drug test for
5 controlled substances when, in their determination, there exists
6 reasonable suspicion that the unit member may be impaired when
7 the unit member is on duty or reporting for duty. The prerogative
8 shall not be exercised by the supervisor arbitrarily or
9 capriciously.

10 e. Return-to-duty/follow-up testing -- the District shall ensure that
11 before a unit member that has tested positive for an alcohol level
12 of 0.02 or higher, or the presence of controlled substances, and
13 has undergone treatment for the use thereof, returns to duty, the
14 unit member shall undergo a return-to-duty test for alcohol or
15 drugs as indicated. A unit member who has undergone treatment
16 for alcohol misuse or controlled substance use, and has had a
17 negative result on a return-to-duty test, shall be subject to at least
18 six unannounced follow-up alcohol and/or drug tests conducted
19 in six months or as determined by the substance abuse
20 professional, in accordance with the provisions of
21 49CFR382.605(c)(2)(ii).

22 5.2 Testing for Alcohol

23 All unit members of the District covered by this Agreement shall be
24 subject to testing for alcohol use. All unit members of the District
25 covered by this Agreement will be prohibited from the use of any alcohol
for four (4) hours prior to rendering service to the District. After an
accident the unit member is prohibited from using alcohol for a period
of eight (8) hours or until a test is done, whichever is first. The unit

1 member must be tested for alcohol use within eight (8) hours of the
2 accident. Any unit member who tests positive with an alcohol blood
3 level of 0.02 or higher will be prohibited from rendering service to the
4 District.

5 **5.3 Alcohol Testing Procedure**

6 Alcohol testing will be accomplished by using evidential breath testing
7 devices (EBT) approved by the National Highway Traffic Safety
8 Administration (NHTSA). The breath alcohol testing technicians will be
9 provided by the testing management company that the District or a
10 consortium of school districts will contract with, and will not be District
11 employees. The contracting testing management company will be
12 responsible for confidentiality of tests results. These procedures shall
13 include training and proficiency requirements for the breath alcohol
14 testing technicians, quality assurances plans for the evidential breath
15 testing devices, including calibrations of the EBTs. The EBTs used shall
16 print out the results, date and time, a sequential test number, and the type
17 and serial number of the EBT. To ensure the reliability of the test results
18 all EBTs used shall be calibrated for accuracy, and a record shall be kept
19 of the calibration test which the unit member will be able to inspect. Any
20 unit member who tests positive for a blood alcohol level of 0.02 or
21 higher, will be tested again with another EBT to verify the initial reading.
22 In post-accident testing the unit member may request a blood test be
23 taken to ensure that an accurate blood alcohol level is recorded. The unit
24 member requesting a blood test may be sent to a medical facility.
25 Request for the blood test is not required by the federal regulation. The
unit member will bear the cost of the blood test if requested and the
confirming blood test is positive. However, the District will pay if the
confirming blood test is negative.

1 5.4 Testing for Controlled Substances

2 All unit members of the District who are required to have a commercial
3 drivers license and who drive a commercial vehicle in the course of
4 employment with the District shall be subject to testing for use of
5 controlled substances (or drugs). Drug testing will be accomplished by
6 analysis of a sample of the unit member's urine conducted at a
7 professional testing laboratory certified and monitored by the
8 Department of Health and Human Services (DHHS). All urine
9 specimens will be analyzed for the following drugs:

- 10 A. Marijuana (THC metabolite)
- 11 B. Cocaine
- 12 C. Amphetamines
- 13 D. Opiates (including heroin, codeine and morphine)
- 14 E. Phencyclidine (PCP)

15 Each unit member's urine sample will be subdivided into two bottles
16 labeled as "primary" and "split" specimens. Only the primary specimen
17 will be opened and used for urinalysis. The split specimen bottle will
18 remain sealed and will be stored at the laboratory. If the drug screening
19 test(s) indicates the presence of one or more of these drugs, then a
20 confirmation test will be performed for each identified drug using state-
21 of-the-art gas chromatography/mass spectrometry (GC/MS) analysis. If
22 the analysis of the primary specimen shows the presence of an illegal
23 controlled substance, the unit member shall be notified by the Medical
24 Review Officer (MRO), and the MRO will notify the individual they will
25 have 72 hours to request the split specimen to be sent to another DHHS
 certified laboratory for analysis. Such will be done at the unit member's
 own expense if the confirming test is positive, but the District will pay if
 the confirming test is negative.

1 5.5 Chain of Custody Procedures

2 The parties recognize that the key to chain of custody integrity is the
3 immediate sealing and labeling of the specimens in the presence of the
4 tested unit member. The transportation container and the specimen
5 containers must be received undamaged at the laboratory properly
6 sealed, labeled, and initialed, consistent with DOT regulations, as
7 certified by the laboratory. Therefore, the District may take disciplinary
8 action against a unit member based only upon properly obtained
9 laboratory samples.

10 All specimens collected for drug testing shall follow the Department of
11 Health and Human Services/Department of Transportation
12 (DHHS/DOT) specimen collection procedures. Urine specimens shall
13 be collected directly into a wide-mouthed, single-use specimen container
14 which shall be sealed in shrink-wrap when received by the unit member.
15 The specimens are to remain in full view of the unit member until they
16 are transferred to tamper-resistant urine sample bottles, and then sealed
17 and labeled in the presence of the unit member. As per DOT regulations,
18 it is the unit member's responsibility to initial the specimen containers,
19 after labeling. After the specimen containers are labeled and initialed
20 they shall be placed in the transportation container together with the
21 appropriate copies of the chain of custody form. The transportation
22 container shall then be sealed in the unit member's presence. The
23 specimen samples shall then be sent to the designated testing laboratory
24 on the same day, or the next normal business day, but the fastest available
25 method.

24 5.6 Reporting Test Results

25 All drug tests results will be reviewed and interpreted by a physician
 Medical Review Officer. If the laboratory reports a positive result to the

1 MRO, the MRO will contact the unit member by telephone, and conduct
2 an interview to determine if there is an alternative medical explanation
3 for the drugs found in the unit member's urine specimen. If the unit
4 member provides appropriate documentation and the MRO determines
5 that it is a legitimate medical use of the prohibited drug, the drug test
6 result is reported as negative to the District. In all cases the MRO will
7 maintain confidentiality and will report only those test results that are
8 confirmed positive by scientific analysis using gas
9 chromatography/mass spectrometry, and reviewed with the unit member
10 for medical explanation, directly to the District Representative.

11 5.7 Consequences

12 Any unit member refusing to submit to an alcohol or drug test shall be
13 immediately removed from service, shall be considered insubordinate
14 and will be subject to discipline under Article 11 of the Collective
15 Bargaining Agreement or pursuant to the discipline policies stated
16 elsewhere in the District Policy. Refusal to submit means that a driver
17 1) fails to provide adequate breath for testing without a valid medical
18 explanation after he or she has received notice of the requirement for the
19 breath testing, 2) fails to provide adequate urine for controlled substances
20 testing without a valid medical explanation after he or she has received
21 notice of the requirement for urine testing or 3) engages in conduct that
22 clearly obstructs the testing process.

23 Any unit member who tests positive for controlled substances, or for a
24 blood alcohol level of 0.02 or higher, on a return to duty or follow-up
25 test, or in a post-accident test where there has been injury or death
involved, shall be subject to dismissal under Article 11 of this Agreement
or stated elsewhere in District Policy. In these circumstances the unit
member shall immediately, following the pre-disciplinary conference on

1 the notice of charges, be suspended without pay or benefits, pending the
2 unit member's appeal request.

3 In all other circumstances outlined in Section 1 Types of Testing "b"
4 through "d" above, the unit member who tests positive for controlled
5 substances, or for a blood alcohol level of 0.02 or higher, will be subject
6 to discipline under Article 11 of the Collective Bargaining Agreement,
7 or as stated elsewhere in District Policy. The unit member may be
8 subject to a suspension, without pay or benefits, of up to thirty (30)
9 calendar days during which the unit member shall be required to enroll
10 in, and complete at his/her own expense, a substance abuse rehabilitation
11 program. After the unit member has successfully completed the
12 rehabilitation program, as verified by his/her substance abuse counselor,
13 the unit member shall undergo a return-to-duty test for alcohol or drugs,
14 as indicated, and shall be subject to unannounced follow-up alcohol
and/or drug tests.

15 6. Any other technical corrections based on Department of Transportation
16 regulation changes.

ARTICLE 23

COMPLETION OF MEET AND NEGOTIATION

1. Neither party, unless through mutual agreement, shall be required to meet and negotiate on any matter covered by this Agreement during the stated term except that the parties agree that Article III - Wages, and Article V - Health and Welfare shall be subject to negotiations for 2017-2018, 2018-2019. A Successor agreement shall be negotiated in 2019-2020.
